## About Me

I aim to create seamless interactive experiences and execute design challenges through user centered design.

## Experience

NESTIE

(3/16)

UX DESIGN CONSULTANT

Conducted user research, competitive analysis, wireframing, prototyping, and user testing to help this apartment-rental start-up refine their payment and verification processes.

PATRON

(9/15-12/15)

UI/UX design Intern

- Developed HTML prototypes and UI deliverables, such as wireframes, process flows and site maps to effectively communicate interaction and design ideas.
- Collaborated with team members and engineers to define and implement innovative solutions for the product direction, visuals and experience.
- Conducted strategic and tactical user-research studies to provide consumer insight. Presented findings to department heads and staff.

## Education

General Assembly

(1/16-3/16)

- User Experience Design Immersive

University of Colorado at Boulder

(2011-2016)

- BA in Psychology with an emphasis in Neuroscience
- Certificate in Technology, Arts & Media
